

# “OHIO N-SCALE WEEKEND 2010”

Dear Vendor,

The Central Ohio N-Trak Club is hosting the “Ohio N-Scale Weekend 2010” on April 30<sup>th</sup>, May 1<sup>st</sup>, & 2<sup>nd</sup>, 2010 in Hilliard, Ohio (a suburb of Columbus). This is not a convention but a weekend dedicated to running N-Scale Trains & Fun! This will be the second annual “Ohio N-Scale Weekend” event. The 2009 event was fun for all who attended.

We are looking for N-Scale manufactures & vendors to sponsor the event by either a \$35.00 donation or N-Scale item(s) to be given as door prizes. In return we will announce who the prize is from as it is given away and we will also list your business “Logo/Name” on the event T-Shirt. We will handout any literature sent to us whether or not you are a sponsor. We also have space available for vendors to set up and sell their merchandise (see below).

We are inviting N-Scale clubs from all over. It is anticipated that we will have approximately 12 layouts.

See the attached participant sheet for the schedule, location, directions, lodging, dinner, contact information, and where to send check & door prize donation.
